

A Survey of the **END TIMES**

Introduction

Eschatology

- i. The study of last things.
- ii. Key Aspects of Biblical Eschatology
 - a) **The Second Coming** – Jesus returns physically to the earth.
 - b) **Deliverance of the Elect of God** – Jew and Gentile believers.
 - c) **Judgment of the wicked** – A Christ rejecting world.
 - d) **Destruction of Antichrist and his Beast Empire** – Satan’s Kingdom of Darkness.
 - e) **The Establishment of God’s Kingdom** – The Millennial Reign of Christ and the Eternal State.

Why do Believers need to study the End Times?

Hermeneutics

Principles of Interpretation

- i. Our method of interpretation of the Scriptures must be consistent and without contradiction.

-
- a) It must never be governed by a theological predisposition or school of thought.
 - i) If our hermeneutic is controlled by our theology, then the Bible can be twisted to say whatever our theology has to say, which is what happens in the study of End Times.

Keys to Face-Value Hermeneutics

- i. The First Principle
- ii. The Second Principle
- iii. The Third Principle
- iv. The Fourth Principle
- v. The Fifth Principle
